Fellow LaSalle Enthusiast,

Are you a LaSalle lover? Would you like to be part of a group who also share an interest and love of driving these automobiles of a lost era? As a Chapter of the Cadillac & LaSalle Club, Inc. you must be a member of the CLC to participate. We, the LAS, publish a quarterly, 28 page newsletter available in print(\$25 per year), or by email(\$15) which is filled with stories, pictures, and technical articles shared by members from across the world who want to help restore, maintain, and drive these beautiful cars.

We attempt to meet once a year at the CLC Grand National if possible but we do communicate over the internet, telephone, and mail.

The officers are:
